Fee Categories
Effective: July 1st, 2010

Classroom Support Services has five fee categories for equipment and labor requests. Fees for equipment and labor are generally waived for undergraduate and graduate credit-generating courses (excluding self-sustaining programs) held in general assignment classrooms and departmental class laboratories. For late fees, cancellation fees and delivery fees please see the Fees & Policies Addendum. All rates are subject to change without notice.

- **No-Charge (NC)** is a fee category which waives equipment and labor charges for undergraduate and graduate credit-generating courses (excluding self-sustaining programs) held in general assignment classrooms and departmental class laboratories.

- **No-Charge/Instructional Discount (NC-ID)** is a fee category which waives equipment charges while providing subsidized labor charges for undergraduate and graduate credit-generating courses (excluding self-sustaining programs) held in general assignment classrooms and departmental class laboratories. This fee schedule acknowledges the importance of these activities while providing partial reimbursement to CSS for high-cost/labor-intensive activities that cannot be fully supported by the department.

- **Instructional Discount (ID)** is a fee category which provides equipment and labor at a subsidized rate for indirect and self-sustaining instructional activities. This fee acknowledges the importance of these activities while providing partial reimbursement to CSS for high-cost/labor-intensive activities that cannot be fully supported by the department.
  - Course development by University faculty and staff
  - ROTC leadership seminars
  - Other instructional activities determined on a case-by-case basis

- **University Activity (UA)** is a fee category based on the department’s actual costs to provide services to University Schools and Colleges, Registered Student Organizations and university-wide events that are outside direct and indirect instructional programs.
  - ASUW/GPSS sponsored events
  - Continuing Education programs
  - ELP sponsored events
  - Evening Degree Summer Quarter Courses
  - Executive Programs courses
  - Experimental College courses and events
  - Graduate Student Orientation programs
  - Graduation, Freshman Convocation and other University ceremonies and events
  - Non-credit UW Extension courses
  - School and College sponsored conferences, short courses and meetings
  - Registered Student Organization sponsored events
  - Training and Development
  - University faculty sponsored public performances
  - UWAA sponsored events
  - Other University activities determined on a case-by-case basis

- **Off-Campus (OC)** is a fee category assigned to all non-University events and programs.
  - Events held by non-University groups or organizations
  - All other public (federal, state, city and county) agencies, institutions and schools
  - Other activities not listed above
